MAKE IT SAFE! LEMONADE DAY AUSTIN

These Guidelines apply only to Lemonade Day in Austin

WASH YOUR HANDS – If you are about to touch ice, cups, straws, or lemonade. Use soap and paper towels!

KEEP IT CLEAN – Make sure you wash your pitcher before using it. Make sure your cups are kept clean and safe from dirt. Keep your lemonade pitcher covered to keep out bugs.

USE DRINKING WATER – Only use water bought from the store or tap water or filtered water. Do NOT use water from a garden hose or rain barrel.

CLEAN UP AFTER YOURSELF – Throw away trash in a trash can. Pour liquid waste down a sink. Do not serve one person's leftover lemonade to another person.

Please call Austin Public Health if you have a question at (512) 978-0300.
